## GUERNSEY

What is the electricity strategy for Guernsey? The Electricity Strategy for Guernsey, approved on 7 th September, sets out a strategic direction for how the Island will manage increased demand while balancing security of supply, affordability, and meeting its goal of net zero by 2050 at the latest.

Why should Guernsey Electricity vote? ???This vote provides certainty and a clear strategic direction for Guernsey Electricity and the wider energy industry. The security and supply of our future energy are of paramount importance, along with affordability for islanders,??? said Guernsey Electricity CEO Alan Bates.

When did Guernsey Electricity become a company? In 1993,Guernsey Electricity was adopted as the trading name,and in 2001became Guernsey Electricity Ltd following commercialisation. In 1998,the Channel Islands Electricity Grid was established to operate subsea cables supplying electricity from Europe giving a secure,reliable and affordable source of energy.

Who owns Guernsey power company? The company is owned by the States of Guernseywith the Guernsey Competition and Regulatory Authorities (GCRA) regulating our core business of electricity generation,conveyance and supply. The Board is made up of three Executive Directors,five Non-Executive Directors and a Non-Executive Chair.

Does Guernsey energy offer free priority care? We offer free Priority Carefor customers who need extra support. From tailored payment plans and energy efficiency advice to priority callouts and safety checks,we???re here to make things easier for you if we can. (C) 2024 Guernsey Energy,a trading name of Guernsey Gas Ltd,a member of the Islands Energy Group.
