

BCD ENERGY EQUATORIAL GUINEA

Bcd Energy Consultants (Schools) Limited was set up on Tuesday the 11th of June 2019. Their current partial address is Tipperary, and the company status is Normal. The company's current directors have been the director of 7 other Irish companies between them. Bcd Energy Consultants (Schools) Limited has 3 shareholders.

How has Equatorial Guinea's energy sector become a more attractive destination for foreign investment? It is simple, the hydrocarbons sector contributes 90 percent of Equatorial Guinea's GDP and with that in mind, to drive economic growth, we have focused on creating an enabling environment for industry players. Through licensing rounds and

Noble Energy, a Chevron company, has achieved the first gas flow from the Alen gas monetization project, off Equatorial Guinea. Courtesy of EG LNG Courtesy of EG LNG. The project consists of a 70 km (43.5 miles) pipeline with a capacity of 950 million cubic feet of natural gas equivalent per day (MMcfe/d), Chevron said in its statement.
