Presentation - Ningbo Beiya Electric Appliance Co., Ltd. We are professional manufacturer of hair clipper products in Ningbo China and have been in hair clipper industry for more than 6 years. ???

Electric Thermal Storage (ETS) heating refers to the process of converting electricity to thermal energy and storing it as heat in high temperature, high density ceramic bricks. ETS systems are designed to use low-cost, off- ???

This is far more efficient than electric resistance heating: in mildly cold weather, you'll get three times as much heat for every kilowatt-hour of electricity from a heat pump than with an electric furnace. Heat pump ???
