Bergstrom Europe believe that the highest quality standards in
manufacturing are of critical importance to our customers. By Careful
selection and deployment of world class methodologies, tools and
techniques our customers are assured of world class product quality and
optimised total acquisition cost.

The Republic of the Congo is a very open country in trade terms, with a
cumulative export and import value higher than its GDP. The country's
trade balance is structurally in surplus (a positive balance of CFA 1 678.9
billion in 2008). The trade surplus mainly comes from the oil sector (over
90 % of exports), which thus provides a very comfortable ???
