The laws of the territory are based on the constitution, currently set out in the British Indian Ocean Territory (Constitution) Order 2004, which gives the Commissioner power to make laws for the peace, order and good government of the territory. [66] [65] [67] If the Commissioner has not made a law on a particular topic then, in most circumstances, the laws that apply in the ???

Trends in climate ??? past, present and future ??? always need to be understood in the context of the naturally occurring variability. Climate variability here, refers to the ways how climate conditions (e.g., temperature and precipitation) "flicker" from year to year within their respective typical "range of variability". The cause for this natural variability can be due to quasi
