Why is Shang-Chi so controversial in China? But Shang-Chi has stirred controversy in China since it was first announced,owing,in large part,to the racist origins of the comic book it???s based on.

Who is Shang-Chi? In the original story,the protagonist Shang-Chi was the son of Fu Manchu,a villainous character created by English author Sax Rohmer in 1913. Fu Manchu popularized anti-Asian stereotypes and became a symbol for racist ???yellow peril??? fears in the U.S. that suggested the rise of Asia would pose an existential threat to the West.

Where does Shang-Chi live? In the movie,Shang-Chi is pushed out of his relatively comfortable San Francisco life to his family home in China,where he embarks on a superhero journey to save his family and,ultimately,the world. Critics have hailed the film as a landmark moment for Asian and Asian American representation in Hollywood.
