Where can I buy a container in Africa? In addition to custom-designed and manufactured containers, container rentals, and self-storage, our branch in the Western Cape also offers Container Sales for delivery anywhere in Africa. A verified Cape Chamber of Commerce and Industry member, Topshell is a trusted container supplier, selling new and used shipping containers.

Does Almar offer container conversions in South Africa? Almar Container Rental and Sales does not implement container conversions in South Africa but can point you in the right direction. If you anticipate any sudden changes in your business where you might no longer need a container, containers for sale may not be the ideal solution, in which case rather look at renting a container.

Can you get scammed for sourcing containers in South Africa? Limited stock in a particular region means that the cost of sourcing containers will increase container prices slightly. Unfortunately, container fraud is rampant in South Africa and if you???re not careful you could get scammed. Here are some steps to avoid this: Investigate what companies are charging for containers in general.
