

CHINA ENERGY STORAGE EXHIBITION ORGANIZING COMMITTEE

Why should you attend Eesa China International Energy Storage Expo? At EESA China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year.

What is China International Energy Storage Conference? Since it was held in 2011, the China International Energy Storage Conference has promoted the multi-party cooperation in the energy storage field to exceed 30 billion yuan in order to stabilize the value of the industrial chain and supply chain platform.

When is energy storage International Conference & Expo 2025? The 13th Energy Storage International Conference and Expo is scheduled for April 10-12, 2025, and will be held at Beijing New International Exhibition Center Phase II.

What to expect at the 2022 energy storage industry conference? During the conference, a series of activities such as the "2022 Annual Energy Storage Industry Application Research Report" and "China Energy Storage Industry Innovation Development White Paper" will be arranged.

How many exhibition halls are there at the Energy Expo? The expo will have 7 exhibition halls, inviting participation from power companies, power generation groups, grid companies, transmission and distribution operators, grid system operators and integrators, new energy manufacturers and investment institutions.

CHINA ENERGY STORAGE EXHIBITION ORGANIZING COMMITTEE

Why should you attend energy storage Expo? From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, It's an exhibition that yields benefits throughout the entire year. Preview the latest energy storage products and solutions, tune in to the latest industry trends and expand global business networks.
