

CONCH GROUP MOZAMBIQUE ENERGY STORAGE

Mozambique's energy and mineral resources minister attended a ceremony to mark the start of construction on the first solar project in the country to be paired with utility-scale battery energy storage.

They plan to carry out comprehensive cooperation in multiple fields such as mining, factories, and logistics transportation. Together, they will promote the implementation of solutions for logistics electrification, integrated energy ???

The project is the first IPP in Mozambique to integrate a utility scale energy storage system and includes an upgrade to the existing Cuamba substation. Electricity will be sold through a 25-year power purchase ???

Spanish company TSK will provide engineering, procurement and construction services for a site described as "Mozambique's first grid scale battery energy storage system" by Olivia Carballo, a
