ENERGY STORAGE EXPO 2025 FINLAND

The 11th edition of India Energy Storage Week () is our annual flagship event, a one-stop networking platform for energy storage, e-mobility & green hydrogen sector. The aim is to get the entire value chain of these sectors at one venue. The IESW series of exhibitions has created a niche in the energy storage, electric vehicle & hydrogen segment and proved very beneficial ???

Energy and climate-related policies have been accelerated by both state and federal governments, and for many companies the time feels right to invest in energy storage. This event gathers together investors, developers, IPPs, grid operators, policymakers, utilities, energy buyers, service providers, consultancies and technology providers under one roof.
