CODE OF GEORGIA Title 16 - CRIMES AND OFFENSES (?? 16-1-1 a?? 16-17-10) Chapter 5 - CRIMES Any person who commits the offense of battery against a sports official while such sports official is officiating an amateur contest or while such sports official is on or exiting the property where he or she will officiate or has completed

When the battery is charged to 100%, EPS mode is working fine, but when we set a charge lvl to e.g. 80% input are greater than output for 2-7 watts, on screen I see eternal charging state for 2 days and battery temperature is growing (I think battery is really charging with this load). Charging stops only when I disable AC sockets.
