Hawe Energy Solutions Austria

Since July 2023 HAWE Hydraulik Canada Inc. is a 100% subsidiary of HAWE Hydraulik SE. HAWE Hydraulik Canada emerged from the long-standing partner company HydraFab FluidPower, which is known with its system solutions primarily for industrial hydraulics and the energy sector

The Oil Conditioning Units from HAWE Energy Solutions works independently from the pitch system, enabling a full-time filtration and a locally controlled cooling of the oil from the oil. This ensures a much more narrow operating temperature of the oil, avoiding overheating and offering cleaner oil at the same time.
