

# JAMAICA BUSINESS PARK HAS ENERGY STORAGE BATTERY THERMAL MANAGEMENT

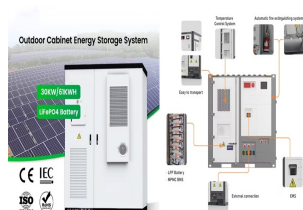

Who are tropical Battery Company Limited & CAC 2000? Both Tropical Battery Company Limited and CAC 2000 operate in the energy market already, the former as a supplier of energy-storage devices and the latter as a provider of air-conditioning systems.

What is the partnership between CAC 2000 & tropical battery? CAC 2000 and Tropical Battery have forged an energy partnership under a joint venture called ENRVATE Limited that will trade in energy-saving solutions in Jamaica and the Caribbean. The company, which was incorporated at the end of April and became

Who will supply solar batteries for envrate? Tropical Battery, whose core business is in energy storage, will serve as primary supplier of solar batteries for ENRVATE while CAC 2000, which distributes air-conditioning units including Carrier, LG, and Fujitsu and has expertise in electrical and energy-consumption services, will provide equipment and technical expertise.

Who is tropical battery? Tropical Battery has been operating in the battery-storage business for over 70 years. The current version of CAC emerged from a management buyout, done in two phases in the 1990s and the summer of 2000, but before that was known as Conditionedair and Associated Contractors.

Could Marston's new business be listed on the Jamaica Stock Exchange? Marston is also mulling over the idea of listing the new venture on the Jamaica Stock Exchange to raise equity capital for the business. ???Electricity in Jamaica is one of the highest in the world and region, and despite it being so expensive, most businesses and homes use electricity inefficiently.
