

# KRAMER SOLAR MYANMAR

8+ Years Experience In Solar & Renewable Energy Industry. Welcome to FORTIS, the leading engineering firm exclusively serving the vibrant nation of Myanmar. Established in 2015, Fortis Engineering has been a stalwart in the industry for over 8 years, specializing in Electrical Power services with an unparalleled focus on solar installations.

After thoroughly analyzing their needs, we came up with a 16kWp system to handle their extraordinary TEAM KRAMER house with all the toys and aircon to be used. Pre-Solar Power. The first pre-solar electric bill of their dream home was a mind-boggling P79,000. This was an unacceptable monthly budget drainer even for the #Kramer Family.

As worsening power cuts push businesses to use solar energy, import and foreign currency restrictions and corruption in the customs department slow down growth in the off-grid sector, while the regime awards on-grid solar ???

Among the renewable energy available, the potential of solar energy is one of the great interests in Myanmar. The government of Myanmar has set a plan to electrify the whole county in 2030. On the other hand, ASEAN ???
