Mey Energy said it finished its 55 MW solar power plant in the municipality
of Novaci, in the heart of the country's coal industry. The system was built
next to the Suvodol open pit. The company founded in 2020 announced it
would start producing electricity before the end of the month. The Novaci
unit has an estimated annual output of 85 GWh

North Macedonia's solar energy company Mey Energy opened a 55 MW
MW photovoltaic (PV) power plant, the largest in the Balkans, in the
southern town of Novaci, North Macedonia's government said on Friday.
