Abstract: In order to study the mechanical properties of the fixed photovoltaic bracket and its failure under wind load, the full-scale photovoltaic bracket specimen was designed and the destructive test was carried out by means of static loading. Through simulation and mechanical analysis, the design suggestions for the fixed photovoltaic support are given.

This artwork by Liang Yuanwei achieved an unexpectedly high price at Sothebys in Hong Kong in April 2018. In the Contemporary Art Day Sale auction, the work Piece Of Life sold for HKD 2,125,000.00 (a?! 224,221.47) - well above the upper estimate of HKD 800,000.00.
