MALI KENERA ENERGY SOLUTIONS

Rebecca Clarke, SVP Kenera, (KCA Deutag's technology and energy transition business), gives her thoughts and insights. It's my belief that women encounter numerous hurdles in the energy sector, particularly in achieving senior and technical roles where they are currently underrepresented, with only 32%[1] of middle management roles held by

Find out what works well at Kendra Energy Solutions from the people who know best. Get the inside scoop on jobs, salaries, top office locations, and CEO insights. Compare pay for popular roles and read about the team's work-life balance. Uncover why Kendra Energy Solutions is the best company for you.

The energy sector is transforming by aiming to reduce emissions, increase efficiency and diversify fuel sources. This change brings both challenges and opportunities for women, who are underrepresented and often face career barriers. Rebecca Clarke, SVP Kenera, (KCA Deutag's technology and energy transition business), gives her thoughts and insights.

Through our industry partnerships we are participating in the development of decentralised and containerised electrolyser solutions to support the production of green hydrogen. Our Battery Energy Storage System (BESS) is a power management solution enabling drill rigs to run efficiently with either fewer engines or lower engine loads to help
