Watertech Solar Wise Namibia is a family-owned company in the solar industry with 22 years of expertise. We provide turnkey solutions on the following. >>Solar Geysers >>Convert normal electrical geysers to solar geysers >>Photovoltaic Swimming Pool Pumps >>Pool Heating and Jacuzzi >>Geyser replacements >>General Plumbing Maintenance

The quick deployment capabilities of solar technology, combined with capacity-firming systems, offer a promising path to minimizing import dependence. By capitalizing on its solar potential, Namibia can secure a more stable and self-sufficient energy future, mitigating the risks associated with external energy supply volatilities.

Namibia leverages solar potential to fuel its energy transition, aiming for sustainability and reduced import dependency amidst growing regional demand and technological advancements in renewable resources.
