

NENGHUI TECHNOLOGY PHOTOVOLTAIC ENERGY STORAGE

Who is nenghui group? Nenghui Group is a national EPC contractor for solar power plant construction and an innovative leader in advanced green technologies. Nenghui Energy is a leading renewable energy provider dedicated in lithium energy storage systems and EV charging stations for home and commercial fields.

What is nenghui LV battery Slimbox? Nenghui LV battery Slimbox is developed for the battery energy storage system applications of 60V and below, which is suitable for paralleling topology system. The single system can support maximum 15 pcs of products for paralleling operation, with an energy storage up to 53kWh.

What is nenghui energy residential ESS? Nenghui Energy residential ESS features with reliable, high energy density lithium-ion batteries to make homes enjoy green energy while without worries of more expensive electricity bills from unstable grid prices.

What is nhenergy app? NHEnergy is a great app in monitoring real time power generation and consumption for home and charging clearly by just having a look at your smart phone. Integrated with all related functions for home, you can easily know and deal with your further reduction of carbon footprint.
