

NIGERIA UPOWER LTD

Nigeria Needs to Confront Challenges Nigeria Power Report 2021/22 shows that the challenges facing the power sector are likely to continue in the medium-term. The lack of gas supply, insufficient T& D infrastructure, and sector illiquidity will contribute to an environment where new IPPs are unlikely to emerge in the coming years.

We are the biggest off-road gas fired engine manufacturers in China, we offer the most durable and rugged generator sets in Nigeria and worldwide, we provide customized power solutions for both homes and industries.
