

# NITOR ENERGY A S U S VIRGIN ISLANDS

Who is Nitor energy? Nitor Energy |2,698 followers on LinkedIn. Constant .Change |Nitor Energy is an energy trading company,founded in 2017,with the focus on 24/7/365 physical natural gas and power trading in all European markets. We operate from our headquarters,located in the heart of Aarhus,by using our trading spirit,proprietary software,models and capital.

When did Nitor start trading? Nitor started trading in 2020. Since then,our growth curve has been steep. From trading gas to expanding into power and,most recently,trading in climate certificates,we have moved from start-up to scale-up. And since the journey is still fun and challenging,we continuously strive to become even better ??? and reach even further.

How did Nitor energize the company's Mission? Therefore,they energized the company???s mission by giving freedom and responsibility to individualsand making Nitor a playground for smart and ambitious people. We are doers who would rather get things done quickly than spend a lot of time thinking about how.

How did Nitor perform in 2023? Our solid financial resultsin 2023 reflect Nitor???s ability to create strong synergies between trading,coding,and analyzing. Nitor's ability to earn a return on the shareholders' investment in the company is clearly reflected in our ROE. Our family of energetic people grew from 47 to 62 employees in 2023. Nitor started trading in 2020.
