

NORTH ASIA INTERNATIONAL ENERGY STORAGE EXHIBITION

Why should you attend Eesa China International Energy Storage Expo? At EESA China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year.

When is the energy storage International Conference & Expo (Esie)? The Energy Storage International Conference and Expo (ESIE) will take place on 3 days from Thursday, 10. April to Saturday, 12. April 2025 in Beijing. 10. - 13. April 2024 07. - 09. April 2023

When is energy storage International Conference & Expo 2025? The 13th Energy Storage International Conference and Expo is scheduled for April 10-12, 2025, and will be held at Beijing New International Exhibition Center Phase II.

What is China energy storage Alliance (Esie)? The fair is organized by the China Energy Storage Alliance, which plays a key role in promoting and developing the energy storage industry in China. At the heart of the ESIE is the presentation and promotion of the latest developments in the energy storage industry.

Why should you attend energy storage Expo? From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year. Preview the latest energy storage products and solutions, tune in to the latest industry trends and expand global business networks.

NORTH ASIA INTERNATIONAL ENERGY STORAGE EXHIBITION

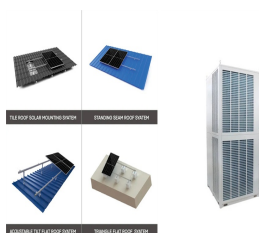

How many exhibition halls are there at the Energy Expo? The expo will have 7 exhibition halls, inviting participation from power companies, power generation groups, grid companies, transmission and distribution operators, grid system operators and integrators, new energy manufacturers and investment institutions.

For green transformation, ES focuses on building four special zones of battery technology, smart energy storage, smart energy and smart services, and holds a series of activities such as the ???
