

PNE ENERGY SOLUTIONS COMPANY MALDIVES

Who is PNE Group? PNE Group, a company operating on an international level with two brands, PNE and WKN, is one of the most experienced project developers in the field of onshore and offshore wind farms. Based on this success, the Company has developed to become a clean energy solutions provider.

Who is PNE Wind AG? The Forestry Commission Scotland (FCS) selects PNE WIND AG as its partner for the development of a wind farm in central Scotland. In addition, the offshore project "Nautilus II" was sold. The offshore wind farm projects "Gode Wind" I to III were sold to the Danish energy group DONG Energy.

What happened to PNE Wind? The PNE WIND Group started to successively bundle completed wind farms into a portfolio. In December, this wind farm portfolio of 142 MW was sold to a subsidiary of Allianz Global Investors. A strategy that was unique in the German wind industry until then.

What are the core objectives of the PNE strategy? The core objectives of the strategy are to expand our own operations portfolio for power generation, increase the project pipeline and promote the service business. Renewable energies by PNE. PNE currently operates in 14 countries in Europe, South Africa, North America and Asia.

Why was PNE renamed PNE AG? The company was renamed "PNE AG", as our business now encompassed more than just wind power. "Scale up" bore first fruit - for example through the service sector expansion. Operationally, the PNE Group was successful in various markets, including Sweden and Poland.
