extension is available with a one-time payment fee and must be purchased within 24 months ???

SOLAR EDGE BACKUP BOUVET ISLAND

Maximize Backup Time with Weather Guard. Designed exclusively for SolarEdge system owners with home battery backup, our new Weather Guard feature can be found in the mySolarEdge app. When enabled, it detects severe weather and is designed to automatically charge your battery to full capacity before the grid goes down, so you can stay on longer.

Legen Sie fest, welche Verbraucher bei Netzausfällen priorisiert werden sollen. Über den SolarEdge Home Schaltkontakt können Sie gegebenenfalls Geräte von der Backup-Versorgung ausschliessen, damit die Energie in Ihrer Batterie länger ausreicht. Dieser Modus ist nur für Hausbesitzer mit einer Batterie und einem Backup-Interface verfügbar.

Paired with the SolarEdge Home Backup Interface, you can achieve full or partial home backup, ensuring a reliable power supply during grid outages. This system is designed to provide peace of mind and continuous energy supply, even in unexpected situations. Browse our solar home battery and backup products and learn more below.

Wanneer je de Backup Interface combineert met de SolarEdge Home Hub omvormers en SolarEdge Home Accu's, kun je huiseigenaren in het geval van een stroomstoring voorzien van noodstroom. Snellere installaties dankzij de ???

the backup Island"). During a grid outage only, the loads connected to the LOAD side of the BUI (the backup Island) operate, while the loads connected to the GRID side do not operate during a grid outage. Full home backup: In this type of installation, the BUI internal export/import meter must be used. There
