Karacus Energy Pvt. Ltd.'s BESS technology represents the future of energy storage in Sri Lanka, transforming the way we harness and utilize power. We take immense pride in being one of the leading Battery Energy Storage Systems Manufacturers in Sri Lanka. Our cutting-edge BESS technology in Sri Lanka is designed to revolutionize energy storage solutions, providing a?|

Sri Lanka. The main sub barriers were the installation cost of the software, lack of experience with the software, and the lack of senior and firm support. Major benefits identified were Faster, increased productivity and accuracy. Keywords: QS-related software, Quantity Surveyors in Sri Lanka 1. Introduction
