

UZBEKISTAN DAWNICE LITHIUM BATTERY

Why should you choose dawnice solar energy storage battery? To Strive Forward No Energy Waste. Dawnice is a top solar home energy storage battery and industrial and commercial energy storage battery factory located in China. We insist on using high-standard A-grade lifepo4 cells, protective board and other accessories to ensure that our products can give customers the best experience.

How many production lines does dawnice have? Dawnice has 5 fully automated production lines, and focuses on independent R&D and production. 80% of the engineers on the job have worked in the lithium battery industry for more than 10 years.

How many patents are there in the lithium battery industry? In the lithium battery industry, more than 100 technical patents have been obtained, including more than 70 core patents, more than 20 invention patents, and more than 10 product innovation technology awards. Residential storage batteries and commercial solar storage are our core products.
