How did the Falkland Islands get its name? The Falkland Islands derive their name from Falkland Sound, the name given to the waterway between East and West Falkland by Captain John Strong, who spent several days in the Islands on his ship Welfare in 1690. Falkland Sound was itself named after Viscount Falkland, one of the owners of Welfare.

I read today that other than the US, the Falkland Islands have the highest rate of gun ownership in the world. While I know the islands have a sizable military population (10-15 percent of the total), I can't understand why gun ownership is so widespread among the civilian population (relative to the rest of the world, and particularly the rest of the UK).
