

# XIKEDE SOLAR POWER BOX REVIEW

This will fit in a 300TDI seat box battery compartment and gives good starting power. Have used the same model but the size down on our boat for 3 years now with no issues hopefully this will be as good. Price was very competitive for the same make and model elsewhere and delivery was quick. 5. RC - Swindon, United Kingdom - 11 Jan 2024

Introducing the Exide SOLATUBULAR 6LMS75 12V 75Ah Tubular Battery, a reliable and efficient power source for all your solar energy needs. This battery falls under the category of Solar Batteries, ensuring seamless integration into your solar system.
