In response to the growing demand for lithium-ion batteries (LIBs), we demonstrate a solvent-free manufacturing technology that can avoid toxic organic solvents and form unique electrode structures to overcome the a?|

ZAISHENG TECHNOLOGY ENERGY STORAGE

The Journal of Energy Storage focusses on all aspects of energy storage, in particular systems integration, electric grid integration, modelling and analysis, novel energy storage technologies, sizing and management a?|

Its products can be widely used in power system generation, transmission, distribution, use and other links, as well as communication base stations, vehicle energy storage, mobile energy a?|

Founded in 2007, Chongqing Zaisheng Technology Corp., Ltd (herein called Zisun) recognized as National High-Tech Enterprise and National Enterprise Technology Center. On January 22 nd, 2015, Zisun was listed in a?|
